

Once upon
a time ...
fluff was just a nuisance
something to be thrown away!

But now ... thanks to
Thrupiece Technology
It's Food!

Kill two birds with one stone and feed
your growing family as you clean your house!
Just what the busy and thrifty housewife has craved
for years, slimming meals now come ready made thanks to
the Thrupiece Processor - part of the Thrupiece Diet™!

Special Filter Nozzle™ sucks up all the fluff and dust
from every nook and cranny and carefully filters it for
noxious substances before passing it into the Thrupiece
Processor

Patent Thrupiece Variomatic Coil™ ensures that every
strand is separated, evaluated and sequenced just right
to make sure processed food is well-textures and light
on the palette and the stomach!

Thrupiece Noise Reduction System™ ensures that
processing is a silent miracle. Fluff becomes a ready
meal whilst you get on with the daily chores you really
love. Husband home already? No problem: his dinner is
waiting for him
